

Mwani (Seaweed) Center

Located in Paje, this center is a women's initiative that produces products from seaweed. Visitors can learn about seaweed farming and purchase handmade products.

Dolphin Tours in Kizimkazi

Kizimkazi is known for its dolphin tours, where you can see and swim with dolphins in their natural habitat. It's a thrilling experience for wildlife enthusiasts.

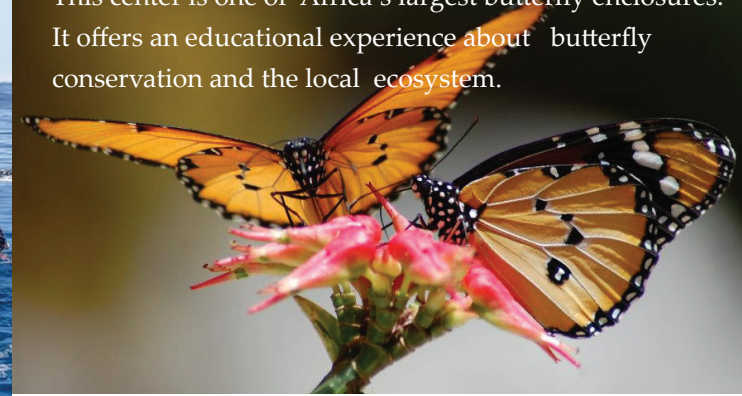

Jozani Forest Night Walks

While Jozani Forest is well-known, night walks are a newer attraction. These guided tours offer a chance to see nocturnal wildlife and experience the forest in a different light.

Zanzibar Butterfly Centre

This center is one of Africa's largest butterfly enclosures. It offers an educational experience about butterfly conservation and the local ecosystem.

Nakupenda Sandbank

This beautiful sandbank near Stone Town is perfect for a day trip. Enjoy snorkeling, swimming, and a picnic on this pristine, temporary island.

Zanzibar Horse Club

Located in Kiwengwa, this club offers horseback riding along the beach and through local villages. It's a unique way to explore the island.

Zanzibar Quad Adventure

Quad biking tours through the island's rural areas provide an exciting way to see the countryside and interact with local communities.

Cultural Tours in Makunduchi

Makunduchi village offers cultural tours where you can learn about traditional Swahili life, including local crafts, dances, and cuisine.
